NyxQuest: Kindred Spirits Million to One Hero jumps into Early Access! : "Some heroes overcome challenges. Others create them." We are very happy to announce that our newest game "Million to One Hero" has jumped into Early Access today! Million to One Hero proposes a pixelated skill platformer with a powerful in-game editor that goes a step beyond just level creation: players can use it to create their own adventures. From creating quests, adding NPCs and dialogs, to playing with the music or the climate of each level, the multiple narrative tools allow players to create their own stories and share them with the rest of the world. Join the action now and: - Compete in awesome community created feats. - Discover fun witty adventures. - Show your skill in plenty of speedrunning challenges. - Create and tell your own amazing story. Check our Launch gameplay trailer! Get in touch with the team and other players in our Steam forums and on Discord [discord.gg] .
